BENS DECL. ISO AEI'S ADMINISTRATIVE REQUEST  
TO SEAL RE MOTION FOR FURTHER CMC  
CASE NO: C05-00598 JW

1 I, Rory G. Bens, declare as follows:  
2

3       1. I am an associate with Orrick, Herrington & Sutcliffe LLP (“Orrick”), counsel for  
4 Defendant Affinity Engines, Inc. (“AEI”) in the present action. I am over the age of eighteen and  
5 competent to make this declaration. I make each of the following statements based on my  
6 personal knowledge, and I could, if necessary, testify to the truth of each of them.  
7

8       2. AEI’s Motion for Further Case Management Conference Re Scope Of Brin And  
9 Page Depositions is being submitted for filing under seal because it quotes and references  
10 documents that both AEI and Google Inc. have designated “Highly Confidential – Attorneys’  
11 Eyes Only” under the terms of the protective order entered in the co-pending state court action.  
12 Specifically, the motion quotes and references documents, submitted as Exhibits 1 – 12 of the  
13 Ramsey Declaration, which contain sensitive, confidential business information. Both parties  
14 have designated these documents as “Highly Confidential – Attorneys’ Eyes Only” under the  
15 terms of the state court Protective Order.  
16

17       3. The parties have not yet submitted a Protective Order in the instant action, but  
18 have agreed that all materials produced in the related, co-pending California state court action  
19 will be considered produced in the instant action. Attached hereto as **Exhibit 1** is a true and  
20 correct copy of a prior CMC statement in the instant case, reflecting such agreement and  
21 reflecting agreement to submit a protective order in this case similar to that entered in the  
22 California State Court action. Counsel for AEI is submitting a draft protective order to Google  
23 and counsel for Orkut Buyukkokten, but has not been able to finalize and file that order before it  
24 was necessary to file the underlying Motion for Further Case Management Conference Re Scope  
25 Of Brin And Page Depositions. In the interim, a true and correct copy of the State Court  
26 Protective Order agreed to by the parties is submitted herewith as **Exhibit 2**. To the extent that  
27 the interests of independently represented Google employee Orkut Buyukkokten are implicated  
28 by these documents, AEI has communicated with Buyukkokten’s counsel, who has agreed to  
AEI’s use of these documents with respect to the underlying motion, provided that AEI files the  
documents under seal.

1           4. Because the Motion for Further Case Management Conference Re Scope Of Brin  
2 And Page Depositions contains confidential, sensitive business information, AEI has submitted  
3 the Motion in redacted and unredacted forms. In the redacted version, for public filing,  
4 confidential and sensitive information has been concealed. The unredacted version of the Motion  
5 is designated “Highly Confidential – Attorneys’ Eyes Only” by AEI. AEI respectfully requests  
6 that the Court authorize the filing of the unredacted version of the Motion under seal pursuant to  
7 the terms of the state court Protective Order, to which the parties have agreed. AEI respectfully  
8 requests that only the redacted version of the Motion be filed publicly.

9           5. The Declaration of Gabriel M. Ramsey attaches as Exhibits 1 through 12, copies of  
10 private business correspondence internal to Google and Affinity Engines and portions of  
11 deposition testimony of Google and Affinity Engines witnesses describing sensitive, non-public  
12 business matters. In particular:

- 13           a. *Ramsey Decl. Exhibit 1*: contains deposition testimony regarding Google’s private  
14           business activities, that Google has designated Confidential – Attorneys’ Eyes  
15           Only.
- 16           b. *Ramsey Decl. Exhibit 2*: is confidential business correspondence produced in the  
17           case by Google and designated Confidential – Attorneys’ Eyes Only.
- 18           c. *Ramsey Decl. Exhibit 3*: is confidential business correspondence produced in the  
19           case by Google and designated Confidential – Attorneys’ Eyes Only.
- 20           d. *Ramsey Decl. Exhibit 4*: is confidential business correspondence produced in the  
21           case by Google and by Affinity Engines and designated by those parties as  
22           Confidential – Attorneys’ Eyes Only.
- 23           e. *Ramsey Decl. Exhibit 5*: is confidential business correspondence produced in the  
24           case by Google and designated Confidential – Attorneys’ Eyes Only.
- 25           f. *Ramsey Decl. Exhibit 6*: is confidential business correspondence produced in the  
26           case by Google and designated Confidential – Attorneys’ Eyes Only.
- 27           g. *Ramsey Decl. Exhibit 7*: is confidential business correspondence produced in the  
28           case by Affinity Engines and designated as Confidential – Attorneys’ Eyes Only.

- 1                   h. *Ramsey Decl. Exhibit 8:* contains deposition testimony regarding Affinity  
2                   Engines' private business activities, that Affinity Engines has designated  
3                   Confidential – Attorneys' Eyes Only.  
4                   i. *Ramsey Decl. Exhibit 9:* contains deposition testimony regarding Affinity  
5                   Engines' private business activities, that Affinity Engines has designated  
6                   Confidential – Attorneys' Eyes Only.  
7                   j. *Ramsey Decl. Exhibit 10:* contains sensitive internal Google corporate documents  
8                   and Google business correspondence, which Google has designated Confidential –  
9                   Attorneys' Eyes Only.  
10                  k. *Ramsey Decl. Exhibit 11:* is confidential business correspondence produced in the  
11                  case by Google and designated Confidential – Attorneys' Eyes Only.  
12                  l. *Ramsey Decl. Exhibit 12:* is a confidential internal Google document and  
13                  associated correspondence and designated Confidential – Attorneys' Eyes Only.  
14                  6. All such correspondence and deposition testimony has been designated by either  
15                  Google or Affinity Engines, "Highly Confidential – Attorneys' Eyes Only" under the terms of the  
16                  state court Protective Order. AEI believes that all such information is, in fact, highly confidential  
17                  business information for which good cause exists to file under seal.

18  
19  
20                  I declare under penalty of perjury under the laws of the United States that the  
21                  foregoing is true and correct.

22                  Executed this 31st day of October, 2005 at Menlo Park, California.
